TEACHING FACILITY

Joseph Banks Medical Centre is proud to be associated with the EVGP training organisation. JBMC, has obtained accreditation as a teaching facility for Registrar doctors ensuring that their knowledge and experience is being passed on to the next generation of general practitioners.

HOSPITALS

We have admitting rights for obstetric public patients at Dandenong Hospital, Casey Hospital and Monash Medical Centre. For private, general medical patients we also admit to South Eastern Private Hospital, The Valley Private Hospital, Berwick Private Hospital and St. John of God Pinelodge Clinic.

FACILITIES FOR PATIENTS WITH A DISABILITY

There is a permanent wheelchair at the clinic to assist patients getting to and from the car park. The entrance to the building has a ramp suitable for wheelchairs.

APPOINTMENTS

Consultations are by appointment at the surgery whenever possible, but for urgent matters we can see you without an appointment. Occasionally more time with the Doctor may be required, please advise the Receptionist at the time of Booking.

Patients are able to make appointments via our website

<http://josephbanksmedicalcentre.com.au>

or via the HotDoc app on mobile devices.

Please ring 9700 2281 for an appointment.

AFTER- HOURS

To arrange urgent medical attention outside advertised times please call 9700 2281. When the surgery is closed the telephone is diverted to the after hours service, DoctorDoctor ph 9411 1713. This service will assess your call and if necessary contact the clinic duty doctor. If this is not possible they will arrange a locum or advise help via one of the local hospital Emergency Departments.

HOUSE CALLS

This surgery does provide home visits to regular patients if you are too sick to attend the surgery and providing you live in the Dandenong/Berwick area.

Visits can also be arranged for private patients in hospitals, patients in nursing homes and retirement villages within the specified areas.

FAMILY ORIENTED

Established in 1979, we are a family oriented General Practice, and cater for all age categories. All Doctors in this practice have satisfied the requirements of the Royal Australian College of General Practitioners, and are on the Vocational Register of General Practitioners, and are committed to general practice, continuing medical education and preventative care.

CHARTER

We aim to provide a comprehensive service in a friendly, caring and personal way.

The car park has a specially marked space located near the entrance of the building. Should you have any special needs, please discuss them with the receptionist, nurse or your doctor.

MOTHER AND BABY FACILITIES

We can provide a room for nursing mothers if required. A change table is also available, please ask the receptionist for assistance.

TELEPHONING YOUR DOCTOR

The doctor will take calls relating to you or your family's health. If they are seeing patients when you call, they may need to call you back.

REPEAT PRESCRIPTIONS

Prescriptions for some medication taken regularly can be obtained without seeing the doctor if he/she has agreed to this. Requests may be made by phone, letter or calling in at the surgery. It is helpful if we have at least 24 hours notice in order to deal with your request. Repeat prescriptions if not seen by the Doctor will incur a cost of \$15.00.

OTHER SERVICES NEARBY

Pathology is located at the rear of the building. X-ray services are located nearby. Please ask one of our team and they can assist you in locating key services in our area.

MANAGEMENT OF YOUR PERSONAL HEALTH INFORMATION

All consultations are confidential. Not only is this true for adults but also for young people who attend. We protect your privacy and treat all patient information including health and financial details as private and confidential and ensure that this information is only available to authorised members of staff.

We have developed and documented a privacy policy according to current privacy laws. If you would like more information about privacy, or how to access your health record, please ask your doctor or see reception.

PATIENT FEEDBACK

From time to time this practice invites patients to complete a questionnaire on their views of the practice and how it could be improved. These surveys are completely confidential and help us to improve our service. If you are unhappy with any aspect of the care you receive from this practice, we are keen to know about it. Please feel free to talk to your doctor, nurse or receptionist about any problems you have with the service we provide. We believe that problems are best dealt with in the practice, however, if you feel that there is a problem you wish to take up outside, you may prefer to contact one of the available professional health advisory agencies in Victoria.
